Enjoy all the ambiance of a fireplace using a fraction of the energy!

Electric fireplaces use over 90% less energy than gas to produce visual flames – with ZERO emissions.

- Maintain a safe, healthy environment for anyone concerned about indoor air quality.
- Reduce impact on the environment – no burning of fossil fuels, eliminating the emission of carbon dioxide and other greenhouse gases.
- Conserve energy by zone heating – provides supplemental heat for up to 400 square feet.

Distressed Medium Oak  
SOP-261C-O  
Also available as a flat wall mantel (Distressed Medium Oak)

## Stratford Corner

The perfect solution to cozy up an empty corner and add a feeling of traditional warmth with a charming oak finish.
