

THELIN COMPANY, INC.
MANUFACTURER OF PELLET, GAS, & WOOD STOVES

The Gnome

Direct Vent Gas Heater

The Gnome Direct Vent Gas Heater allows for simple through-the-wall installation (minimum vertical rise 6" as shown), and is ideal for bedrooms, additions and mobile homes.

This 20,000 BTU heater can be used with either natural gas or propane, and comes with a variable speed circular fan and log set as standard equipment.
